JAMES KEATING,
PROPRIETOR.

Niagara Falls,
CANADA,

25 Feb.

1900.

Dear Mr. Justice Clark.

I feel much obliged to you for the introductions that you gave to me for Mr. Simon Sterne New York and Professor Tauszig, Boston. Mr. Tauszig was ill when I went to Cambridge, but at New York. I had the honor and the pleasure to be introduced to Mrs. Sterne and to her daughter.

You see from this letter, that Mrs. Metin and myself, we spent longer time than we expected. We were not satisfied to cross the United States, but we went from San Francisco to Mexico till the isthmus of Tehuantepec, and therefrom to Boston staying in each of the interesting centres. We had afterwards a trip in Lower and Upper Canada staying at Québec, Montréal, Ottawa, Toronto.

Today I saw Niagara. I expect to go from here to Chicago, to spend there about 10 days, and to go back to New York with me shall leave on the 13^d March, reaching Cherbourg the 20th.

It is probable that, when this letter
will reach you, I shall not be far from Paris,
where I expect to see you and Mrs Clark.

Allow me to pay my respects to
Mrs Clark and to you, remind me, please
to your family, and believe me truly
yours.

A. Méty.
